Paper No. 081304

In re Application of  
Sun H. Yang  
Application Number 09/474,121  
Filed: December 29, 1999  
For: ELEVATOR SYSTEM WITHOUT  
MACHINE ROOM

PETITION FOR SUPERVISORY  
REVIEW OF THE WITHDRAWAL  
OF CLAIMS

This is in response to applicant's Petition under 37 CFR 1.181 and 1.144 filed on July 2, 2004 to have the Office action of June 6, 2004 withdrawn and have withdrawn claim 41 treated on its merits.

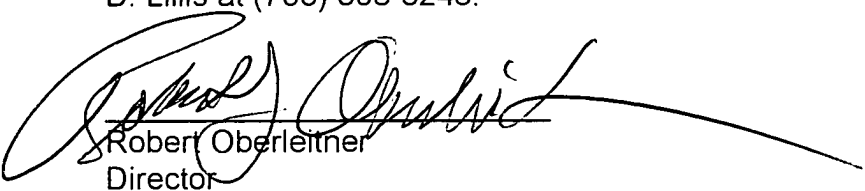

The petition is **GRANTED**.

A review of the record shows that the withdrawal of claim 41 in the Final rejection of January 6, 2004 was improper.

The finality of the action mailed January 6, 2004 will be withdrawn and thus the amendment mailed May 3, 2004 will be entered. Claim 43 remains withdrawn from consideration. The application will be forwarded to the examiner so that a new Office action treating claims 32-37, 39-41, 46, 48 and 52-57 and arguments presented in the May 3, 2004 amendment will be made.

**SUMMARY:** The petition is **GRANTED**.

Inquiries related to this decision may be directed to Supervisory Patent Examiner Eileen D. Lillis at (703) 308-3248.
